

South Brent Cricket Club

Seeking New Members!

South Brent CC is a friendly village club that is looking for new playing members, no matter whether you're an experienced cricketer or are new to the game. We pride ourselves on being a fun, friendly and inclusive club, with the social side of the club being very important!

The club was reformed in the summer of 2013 and currently competes in G Division West of the Devon League, alongside a full season of Sunday and midweek friendlies.

Young players are also welcome as we run the ECB's Dynamos Cricket scheme for those aged 8 to 11 year olds.

Adult practice sessions begin from late March, taking place on Tuesday evenings from 6pm at the Palstone Park nets.

If you would like further details or are interested in joining the club, then please feel free to get in touch through the following contact details:

Chairman
